

## AN INITIATIVE FOR THE FUTURE

Economic Development Lethbridge and the City of Lethbridge have joined together to serve as stewards for the Intelligent Community initiative. With the help of a dedicated steering committee and support from the community, we have developed a visionary strategy for the future.

While you can view the comprehensive roadmap [here](#), key milestones include:

2015

- Launch of Open Data Portal
- Launch of community engagement efforts and IntelligentYQL.ca
- Development of Strategy Roadmap
- Recognized as a Top 21 Intelligent Community of the Year

2016

- Initial development of a connectivity analysis/strategy
- Began Lethbridge brand strategy development with the 'Our Lethbridge' survey
- Defined priority areas for action
